

Reutlingen University - School of Engineering

Fact Sheet

Courses Offered for Exchange Students from Partner Institutions

<p>Engineering study programs</p>	<p>Bachelor of Engineering: Mechanical Engineering, Mechatronics, International Project Engineering</p> <p>Master of Science: Mechanical Engineering, Mechatronics, Micro and Power Electronics, Distributed Energy Systems and Energy Efficiency</p> <p>Further information at http://www.tec.reutlingen-university.de/studium/studiengaenge/</p>
<p>Engineering courses taught in English</p>	<p>An overview of courses and project opportunities for exchange students is available at http://www.tec.reutlingen-university.de/internationales/international-students/</p> <p>Please note: The course catalogue is subject to change and will be updated on a regular basis</p>
<p>Course selection</p> <p>Prerequisites</p> <p>Language requirements</p>	<p>Generally, exchange students are eligible to choose lectures across different engineering study programs and study levels according to their preferences. Some courses have limited intake capacities or require a minimum number of participants in order to be taught in English. Students are requested to pay attention to prerequisites and restrictions mentioned in the module descriptions.</p> <p>For courses taught in English, language proficiency on B2 level is required.</p> <p>For lectures taught in German, B1 level is the minimum requirement. B2 level or higher is strongly recommended.</p> <p>No language certificates are required.</p>

Academic Calendar and Application Deadlines

Nomination deadlines and procedure	<p>Winter Semester: May 01</p> <p>Summer Semester: November 01</p> <ul style="list-style-type: none"> ▪ Please send us names, e-mail addresses and information on the study programs of your students via e-mail. Nominated students will be contacted and guided through the application procedure
Application deadlines	<p>Nominated students must submit online application by</p> <p>Winter Semester: May 15</p> <p>Summer Semester: November 15</p>
Semester dates	<p>Summer Semester: March 01 – August 31</p> <p>Start of lectures: Mid-March</p> <p>Exams: Early July</p> <p>Winter Semester: September 1 – February 28</p> <p>Start of lectures: Early October</p> <p>Exams: End of January – Beginning of February</p> <p>Further information at: https://www.reutlingen-university.de/en/while-studying/organising-your-studies/semester-dates/</p>
Pre-semester intensive German language course including orientation days	<p>Details at https://www.reutlingen-university.de/en/international/german-as-a-foreign-language/</p>
Recommended time of arrival	<p>Winter semester: Not before September 1</p> <p>Summer Semester: Not before March 1</p>

Contact Information

Director of International Affairs, School of Engineering	<p>Prof. Dr.-Ing. Ertuğrul Sönmez</p> <p>E-Mail: Ertugrul.Soenmez@Reutlingen-University.DE</p> <p>Tel.: +49 (0) 7121 271 7081</p>
